All advertisements are accepted and published entirely on the representation that the Advertising Agency and/or Advertiser are properly authorized to publish the entire contents and subject matter thereof. It is understood that, in consideration of the publication of advertisements, the Advertiser and/or Advertising Agency will indemnify and hold the Publisher harmless from and against any claims or suits for libel, violation of rights of privacy, plagiarism, trademark, patent and copyright infringements (including the text and photographs within the advertisements), and other claims based on the contents or subject matter of such publication. The Publisher reserves the right to reject any and all advertising, which the Publisher feels is not in keeping with the publication's standards, policies and principles. The Publisher reserves the right to add the phrase "Advertiser Supplied Information" above any advertisement that, in the Publisher's judgment, too closely resembles the publication's editorial content. The line will be centered above the advertisement and will be set in 12-pt. Helvetica Bold type. "Advertorial" or other labels are not acceptable. The Publisher will not be bound by any conditions, printed or otherwise appearing on any order blank, insertion order or contract when they conflict with the terms or conditions of the publication's rate card, or any amendment thereof. The Publisher shall not be subject to any liability whatsoever for any failure to publish or circulate all or any part of the publication issue or issues due to strikes, work stoppages, accidents, fires, acts of God or any circumstance not within control of the Publisher.

## AGENCY COMMISSION

Advertiser's material must be prepared in accordance with production specifications to qualify for agency commission. No cash discounts allowed.
